THE ALTRU MANIFESTO

Altru Drama is a small company with a big purpose. Our aim is to give children and young people opportunities to learn, develop and grow through creativity. We achieve our aims by:

- Creating engaging, relevant theatre performances for young people which we tour to schools and other non-theatre venues. These performances are designed to explore and tackle issues and choices which affect young people's lives, offering them different ways of seeing themselves and the world around them.
 - Delivering fun, participatory and innovative workshops in schools and other education/youth settings. Our workshops are linked to National Curriculum aims and outcomes or designed to explore aspects of SMSC / PSHE. We believe children learn best when they are creatively engaged in their own learning and our workshops are planned with this in mind.
 - Working in partnership with schools on projects and programmes which engage children and young people in the long term development of their creativity and personal skills such as confidence, communication and problem solving.
- 

As an organisation, we have a specific passion for and focus on:

- **The importance of personal and social development** – we believe the arts and creativity can have a massive impact on the personal and social skills of an individual as well as on their social mobility. Working creatively can allow children and young people to develop their confidence and self-worth; it is our belief that confident young people make healthier, more positive choices. We want to play our part in shaping a generation of strong, confident, self-assured young people.
- **Literacy skills** – we love books, reading and stories and many of our projects are designed to engage children in developing their love of literacy. This takes many forms including: performances of classic stories; workshops which help children develop their core language and literacy skills; projects which focus on Shakespeare and his legacy; projects which develop children as writers.
- **Introducing children to theatre** – we know a theatre trip isn't a possibility for every child, and so we aim to bring theatre to children, wherever they may be. We tour schools, community centres, libraries and any venue that might give children access to high quality, relevant theatre which can have an impact on their lives.

Altru is led and managed by Kate Cotterell, who is a former teacher and a specialist in creative education. Altru's core staff team includes actors, creative practitioners, directors, project managers and drama specialists. We work hard as a team to ensure that all of our work meets the needs of those we work with and for – and we think we're doing a good job, in the 2017/18 academic year 100% of teachers said that they would recommend to us other schools.

THE ACTOR EXPERIENCE AT ALTRU

We love working with actors at Altru. Our acting teams are hugely important to us; we want everyone who works at Altru to feel happy and valued, to know that they are part of a collaborative, creative process and to feel confident and secure in their work.

To achieve this we ensure that there's always a friendly voice at the end of the phone to support you from the moment you begin working with us. And the office door is always open (and the kettle always on!) We want our actors to feel part of our team, feel connected to us and be at home in the Altru building.

We also offer every actor who works with us the following:

- a comprehensive training and support programme delivered by Altru senior management
- a full rehearsal period at Altru's building in South Liverpool
- support with transport and accommodation if necessary
- all on tour/outside of North West overnight accommodation paid by us + subs allowance where no cooking facilities are provided
- a well-managed schedule and office support throughout the tour
- your fee per day, not per show.

Many of the actors we work with return to us again and again – our longest serving actor has been working with Altru for 11 years. Touring theatre for children is hard work, but it is also very rewarding. We are always looking for actors with a great work ethic, who are passionate about producing high quality theatre that is child-centred.

We also offer progression opportunities into other aspects of the organisation. Actors who show a aptitude for workshop delivery will be offered the opportunity to train as a practitioner and join our pool of workshop and drama day practitioners.

"ALTRU'S CARE AND ATTENTION IN PUTTING TEAMS AND SHOWS TOGETHER GIVES AN AMAZING SENSE OF FREEDOM, IT NEVER FEELS LIKE 'WORK' BUT RATHER SERVES AS A BRILLIANT REMINDER OF WHY WE DO WHAT WE DO, AND WHY WE LOVE IT! I WOULD RECOMMEND BECOMING A MEMBER OF THE ALTRU FAMILY TO ANY ACTOR BECAUSE THEY EMBRACE YOU AND VALUE YOU AS FAMILY FROM THE VERY START!" **ALTRU TEAM MEMBER**

"I HAVE WORKED WITH THE COMPANY A NUMBER OF TIMES NOW AND WOULD RECOMMEND THEM TO ANYONE! ALL THE TEAM ARE LOVELY TO WORK WITH, CHILLED OUT WORK ETHIC BUT GET GREAT THINGS OUT OF YOU. YOU FEEL APPRECIATED FOR THE WORK YOU HAVE DONE AND YOU ARE WELCOMED WITH A CUP OF TEA EVERY TIME." **ALTRU TEAM MEMBER**
